Rainbows delighted with art & craft equipment

1st Camelford Rainbows have sincerely thanked Community Windpower Ltd for their generous donation towards much needed art and craft equipment. The funds have been spent on an essential drying rack, left-handed scissors, craft kits and a large assortment of paints, glues and colouring items.

All the craft equipment will be enjoyably used by the Rainbows when they start the new term in January along with other groups who use the Scout Hut including the local Beavers, Cubs and Scouts.

Back row (left to right):

Jon Vidler (BeGreen Camelford on behalf of Community Windpower Ltd);
Rebecca Penwarden (First Camelford Rainbows leader); Nicola Morris (First
Camelford Rainbows leader); Ron Muckleston (BeGreen Camelford on behalf of
Community Windpower Ltd)

Front row (left to right):
